Hair Analysis

Our Hair Analysis is a 20 point assessment and Hair Check Up. We assess the condition of your hair, looking at the type, length, color, texture, curl pattern and whether or not there is damage on a microscopic level. We look for dead ends, scalp issues, porosity, undetected hair loss and more.

HF Growth Stimulating Therapy

Our growth stimulation therapy is a combination therapy designed to stimulate growth in areas affected by traction Alopecia. It is carried out by treating your scalp with high-frequency infra and ultra-rays.

Detox Shampooing (Deep Clean & Dandruff) Starting @ \$15
Scalp Cleansing / Dry Shampoo Starting @ \$15
Hot Oil Treatments Starting @ \$18
Deep Conditioning Treatments Starting @ \$18

Steam Treatments / Herbal Hair Masks

Our steam treatments are great for dry brittle hair. They improve scalp blood flow and circulation and opens the hair follicles and shaft to encourage moisture penetration.

PRO Hydration Treatment Mask - For dry, frizzy hair \$29

Tahitian monoi oil and buriti oil penetrates the hair shaft, smooths coarse cuticles, while reducing breakage and dry, split ends.

PRO Shine Treatment Mask - For dull, weak dry hair \$29

The benefits of sea kelp and mint extracts, reinforce and hydrate follicles from within, with minerals delivering hair that is soft, revitalized and vivid.

PRO Repair Treatment Mask - For severely damaged hair. \$29

Damson Plum Extract, Quinoa Protein and Amino Acids strengthen weak strands, reverse damage and restore weak strands, renewing life and luminosity in damaged hair.

Our Story
